

Charity Tax Receipt Requests – Julietta’s Place

We appreciate your support of our project *Julietta’s Place*, which will assist families in breaking the cycle of violence. The various donation options available are:

- Direct cash donations will be provided a charitable tax receipt.
- Donations of property when accompanied with a receipt of property will allow for a charitable “gift in kind” tax receipt (The term “Gift in Kind” refers to an item that has been donated to a charity rather than a cash donation. For items that are donated it is important to note that donation receipts can only be issued for property and not for services). This would be beneficial for a non incorporated company.
- For Incorporated companies, a general receipt can be issued which can be used as a business expense.
