SAFE VISITATION

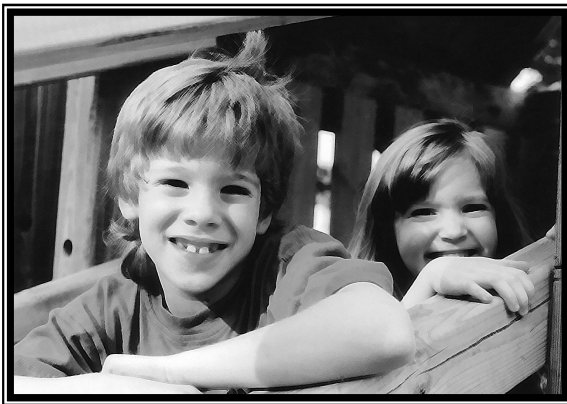

Safe Visitation:

The Safe Visitation Program provides a comfortable setting for supervised visits for families where safety is an issue.

The program can benefit families experiencing:

- Alleged domestic abuse and or an ongoing threat of domestic abuse between custodial and non-custodial adults.
- Custody and access issues, or court order requirements indicate that visits with children be supervised.

Creating a safe and healthy environment for continued contact between parents and children.

Frequently Asked Questions

What is domestic violence?

Domestic violence includes: emotional, sexual, financial and physical abuse between adults in an intimate / spousal relationship.

What is a supervised visit ?

A Supervised Visit is scheduled contact between a child and a non-custodial parent that takes place in a neutral facility in the presence of qualified staff who are responsible for ensuring the safety of those involved.

What is the referral and intake process ?

Referrals are received through the **Children and Family Services Authority** by phoning (403) 340-5400

Once potential participants have completed the screening process and are found eligible, both custodial and non-custodial parents will be contacted by the program to schedule intake times.

What are the benefits ?

All family members will find safety, support and reduced anxiety. Non-custodial parents and their children will have the opportunity to foster healthy relationships.

Services Provided:

- Services are provided to all families living within the Central Alberta Region.
- Initial assessment of risk factors and determination of eligibility. Not all referrals will be accepted into the program.
- Supervised visits are conducted within our secure facility (limited to one 1.5 hour visit per week).
- Scheduled visits are held on Wednesday and Friday from 4 pm to 8 pm and on Sunday from 11 am to 5 pm.

Visitation services are provided at no cost to participants.
