

BUILDING BLOCKS NURSERY SCHOOL

Niimp kor ntsetse ha
“It takes an entire village to raise a child”
- African Proverb

Every Program at BUILDING BLOCKS is focused around ROUTINE and PLAY to assist in making the transition to Kindergarten as smooth as possible.

BUILDING BLOCKS Nursery School is organized by age group in order for session plans to be designed for the children's specific needs.

Play is important to healthy brain development. It is through play that children at an early age create and explore a world they can master, while conquering their fears.

SOCIAL—housekeeping, dramatic play, circle times, song, stories, games and puppetry

PHYSICAL—blocks, musical activities, small manipulative games

INTELLECTUAL—puzzles, library centre, flannel board, listening centre.

Put S.P.I.C.E. in your child's life!
