

Lip Sync Battle

Lip Sync Low Down

9 Community minded individuals are stepping up to the mic to compete in the Outreach Centre Lip Sync Battle in support of the Women's Outreach. The event pits nine contestants against each other in a lip syncing battle for two rounds with the judges determining the winner of the battle after the two rounds have been completed. Each of our contestants will be giving it all they got from props to back up dancers and a whole lot of attitude.

Sponsorship is a huge part of all our events, without our sponsors these events would not be possible. Please see the Sponsorship opportunities that are available. Additional opportunities can be discussed. And like all our other events as a sponsor you will have first right of refusal for upcoming events year after year.
